

CALL TROOPS IN OKLAHOMA KLAN WAR

Two Men Sustain Fractured Skulls In Auto Accident

Three Companions Injured Slightly When Auto Turns Over.

BARCLAY, CATLIN ARE IN HOSPITAL

Auto Skids On Car Tracks On Niles-Warren Road Sunday Morning.

When the automobile driven by Fred Winnell, 44, 25 West High st., skidded on the street car tracks on the Warren-Niles rd. early Sunday morning Samuel Barclay, 32, 161 East Sixth st., and Thomas Catlin, 25 West High st., sustained fractured skulls and are at the point of death in the Warren City hospital.

Winnell, with Fred McIlvane and Edward Kalfell, Newgarden st., the other occupants of the car, escaped with minor injuries.

The men were on their way to Warren when the accident occurred. It is reported that Winnell was driving at a fast rate of speed and when he saw a street car approaching he turned the machine to the right and it swerved from the tracks. Winnell made an effort to stop the car but it crashed into the curb and upset, pinning the five men beneath.

Barclay and Catlin were riding on the right side of the car and took most of the force of the blow as the car hit the side of the street. The heavy machine crushed Barclay. His skull was fractured and he sustained other injuries, his body being a mass of cuts and bruises.

Catlin, riding in the back seat, was thrown under the top as it crashed down. His skull was fractured and his face was severely lacerated.

Taken To Hospital

Winnell's legs were slightly crushed and he was shaken up. Kalfell sustained a slight injury to his left arm and cuts about the face and arms. McIlvane escaped almost unscathed, his clothing being torn in the accident.

All five men were taken to the hospital by a passing motorist who was an eye witness of the crash. It was thought that Barclay and Catlin would die but Catlin regained consciousness long enough to tell that he was alright and then lapsed into unconsciousness again.

Monday hospital authorities issued the bulletin that both Catlin and Barclay were much improved and although they were both being kept under an anesthetic it was thought that they would recover. Barclay has been unconscious since the accident. Mrs. Barclay left Monday morning for Warren to stay with her husband.

Winnell, McIlvane and Kalfell returned Monday from Warren and said that except for shock they sustained only minor injuries and that they would return to work immediately.

Egyptian Prince's Widow Tried For Life.

Princess Marguerite L. Fahmy, a Frenchwoman, was tried in London for killing Prince Ali Kamel Fahmy, a member of the Egyptian royal family, whom she shot to death during a quarrel in their suite in the Hotel Savoy, in the British capital.

JAILED ON CHARGE OF SELLING BOND NOT HIS PROPERTY

Edward Ryan Is Arrested In E. Liverpool On Salem Man's Complaint.

East Liverpool police Saturday afternoon arrested Edward Ryan of Salem on the charge of attempted robbery and after an investigation it was found that Ryan, who had registered at a hotel in that city, as Edward Dunn, of Columbus, was wanted in Salem on the charge of false pretense. Chief of Police T. W. Thompson and Officer Bryn went to East Liverpool and brought the man to this city.

On a warrant sworn by J. W. Yates Ryan on Nov. 10, 1921, a French government sinking bond valued at \$500 which was not his own property.

For the last two years, Yates, with the aid of police, sought Ryan. It is thought he returned to this territory because he believed that the charge was forgotten.

Ryan will be arraigned before Acting Mayor B. L. Pick Monday night on the charge and if he is found guilty faces a long term as he is wanted in Pittsburg on a similar charge.

When the East Liverpool police arrested Ryan, it is alleged he was attempting to steal several suits of clothes from the hotel and was in a restaurant eating, waiting for a chance to make a getaway when police nabbed him. He denied that he was Ryan when questioned, saying that his home was in Columbus and that his name was Dunn.

One old trick of Ryan's gave him away, police say. He always tries to "throw a fit" when arrested, hoping to make the officers believe that he is demented and thus get his release. Ryan pulled his little fit and Capt. Conley of East Liverpool recognized the man immediately and called the Salem chief.

BLIND VETERAN SPEAKS TONIGHT

Lieut. Schoble Will Speak At a Public Meeting In M. E. Church.

Lieut. Frank Schoble, Jr., of Philadelphia, who will speak at the Methodist church Monday night, is one of the only two American officers totally blinded in the World war but that affliction does not take away from him any of the patriotism that he has for his country.

Before an audience in Warren last Friday night Lieut. Schoble praised the activities of the American Legion and the G. A. R. for their work in peace as well as in war and brought the audience that filled every part of the hall to capacity to their feet with his wonderful and inspiring address.

The blinded veteran comes to Salem as a guest of the American Legion but the meeting will be open to the public. No admission will be charged and no collection will be taken. Lieut. Schoble is the son of a well to do hat manufacturer in Philadelphia and because of that has the splendid opportunity to travel over the nation and give Americans the story of patriotism as a blind soldier sees it.

Post Commander Carl Yengling will introduce the speaker at the meeting which is scheduled to start at 8 p. m.

LISBON PASTOR IS TRANSFERRED

Lisbon, Sept. 17.—A telegram received from Rev. D. E. Scott, pastor of the M. E. church, who is attending the annual conference of the Methodist church at Lakeside, brings word that he will not return to this charge as pastor.

The details given in the message are meager and do not indicate just where he has been assigned.

The announcement here has been received with universal regret. Mr. Scott has been pastor of the local church for four years.

DISSENSION SEEN AS SPAIN FORMS NEW DIRECTORY

U. S. Ambassador Confers With Foreign Minister Renewing Treaty.

SPAIN IS QUIET. MOORE REPORTS

Directory Plans To Wage War Against Rebellion In Morocco.

London, Sept. 17.—A dispatch this afternoon from Perpignan, on the Franco-Spanish frontier, said dissension already is evident in Spain. Generals who were not appointed to the directory are threatening trouble. The army engineers corps is demanding representation.

Inspired to the highest point of enthusiasm, Rev. Harman gave the most stirring lecture of his career.

Opening with a brief history of the United States government and the writing of the Constitution, the 126th anniversary of which is being celebrated all this week throughout America, Rev. Harman made a plea that the ancient landmarks of our forefathers be not torn aside.

Admitting that he is a member of the Ku Klux Klan Rev. Harman flew those of the Klan who have entered their ranks for the excitement that might be gained.

He claimed that it was intolerance that caused savagism of Klan papers to leave quantities of their literature on Catholic property; that it was intolerance which caused Klansmen or women to dive around Catholic churches and residences; that it was intolerance which caused a Knight of the Ku Klux Klan to be murdered a few short weeks ago at Carnegie Pa.; that it was intolerance that stoned the prophets; that it was intolerance that beheaded Peter; that it was intolerance that burned Savanarola and Jean d'Arc; that it was intolerance that caused the overturning of Klansmen's automobiles and fighting in Steubenville recently and that it was intolerance that caused the Christ to be crucified.

"America needs goodwill, our forefathers had it," he said. "The greatest fault with our nation today is that we have lost it."

Washington, Sept. 17.—Alexander P. Moore, the American ambassador at Madrid, reported to the state department today that he had been promised an early decision by the new Spanish government on the renewal of the commercial treaty between Spain and the United States. The ambassador said he was reliably informed that all was quite throughout Spain.

Madrid, Sept. 17.—Dictatorial powers were conferred upon the military directory today by dissolution of the Cortes. The country remains quiet. The Marquis De Estella (General Primo Rivera) announced that a vigorous new campaign would be started to put down the rebellion of Rif tribesmen in Morocco.

Discuss U. S. Treaty

The new government held its first discussion with a foreign power when A. P. Moore United States ambassador, today held a conference with Foreign Minister Espanosa on the subject of prolonging the Spanish-American commercial treaty, which expires Nov. 5.

Spain is seeking tariff concessions for fruits, olive oil and licorice exported to America. It is likely the treaty will be prolonged until 1924.

General Primo Rivera was quoted as outlining the directory's plans as follows:

"We will send General Azpizura to Morocco to settle the problem there. We respect the treaties with Raisuli, but will not make a treaty with Abdul (Continued on fourth page.)"

WOMAN, BURNED, IN SERIOUS CONDITION

Burned Severely Over Her Entire Body; Sons Are Much Improved.

Mrs. Thomas Butler of East Palestine is still in a very critical condition at Salem City hospital as the result of severe burns over her entire body which she sustained early Saturday morning when her home burned down.

Alfred, Fred and Clyde, her three sons who were with her at the time of the fire, are much improved all being burned about the face and arms.

Hospital physicians believe that Mrs. Butler will recover. Her body is completely covered with the burns and she is being constantly watched. Her husband, who works in Canton and was not home at the time of the fire, is at her bedside.

Church And Walker To Address Farmers

N. F. Church, Cashier of the First National Bank, Will Speak on "The Relation Between the Bank and the Farmer and the Farm Bureau."

W. F. Church, cashier of the First National Bank, will speak on "The Relation Between the Bank and the Farmer and the Farm Bureau," deputy county auditor, will discuss "Taxation" at a meeting of the Butler Township Farm Bureau Wednesday evening at the new Middleton church, known as the Scrabble chapel.

All members are asked to be at this meeting to transact important business.

These women were again heard at the communion service where duet numbers and solo selections were rendered. Donald Farr, attired in the full regalia of a Roman soldier, and Miss Lera Harris, dressed to represent the church in its sublimity appeared at the closing exercises of the church school and through their impersonations pointed out to the people that the Christ was through the ministry of the church is the only way to peace and happiness rather than by the conquest with sword and gun, the way of the Roman soldier in days when religion was thrust upon individuals regardless of their personal views and preferences.

INTOLERANCE OF KLAN IS FLAYED BY PASTOR

Rev. Harman, Admitting He's Klansman, Says Native-born American Who Forgets His God Is Country's Greatest Menace.

Holy Trinity English Lutheran church was unable to house the crowd that assembled in its auditorium and on the grounds surrounding it Sunday night when the pastor, Rev. J. P. Harman, addressed his congregation concerning the observance of the 126th anniversary of the signing of the Constitution of the United States.

Automobiles could not find parking space and many people unable to hear Rev. Harman's voice through the windows, which had been opened to benefit those standing around the church and others occupying chairs filling the porch, were compelled to leave in disappointment.

Inspired to the highest point of enthusiasm, Rev. Harman gave the most stirring lecture of his career.

Opening with a brief history of the United States government and the writing of the Constitution, the 126th anniversary of which is being celebrated all this week throughout America, Rev. Harman made a plea that the ancient landmarks of our forefathers be not torn aside.

Admitting that he is a member of the Ku Klux Klan Rev. Harman flew those of the Klan who have entered their ranks for the excitement that might be gained.

He claimed that it was intolerance that caused savagism of Klan papers to leave quantities of their literature on Catholic property; that it was intolerance which caused Klansmen or women to dive around Catholic churches and residences; that it was intolerance which caused a Knight of the Ku Klux Klan to be murdered a few short weeks ago at Carnegie Pa.; that it was intolerance that stoned the prophets; that it was intolerance that beheaded Peter; that it was intolerance that burned Savanarola and Jean d'Arc; that it was intolerance that caused the overturning of Klansmen's automobiles and fighting in Steubenville recently and that it was intolerance that caused the Christ to be crucified.

"America needs goodwill, our forefathers had it," he said. "The greatest fault with our nation today is that we have lost it."

Masked Klansmen File Into Church, Giving Pastor \$50

The building fund of Holy Trinity English Lutheran church was enriched by \$50 Sunday night when a number of robed and masked Knights of the Ku Klux Klan of Salem, marched into the church and down the aisle to the altar where they stood until the end of a sacred vocal selection.

One of the party handed a letter with the \$50 bill enclosed, to the pastor, Rev. J. P. Harman who welcomed the Klansmen to his church and invited them to return, saying that they were welcome at a times masked or unmasked.

The Knights knelt at Rev. Harman's feet while he offered prayer. They then silently filed out of the church.

His people have been neglected of religious training and pursuits. People of America must return to faith, the faith of our forefathers who believed in God, right, honesty, thrift and freedom.

The nation is composed of many individuals and the nation's life depends upon the ideals and the way in which those individuals live their lives.

Drawing a picture of Babylon, Egypt, Greece, Rome and France Rev. Harman asked:

"What of America's future? Are the Jewish, Negro, Roman and other foreign elements the most dangerous and undermining agents? No! The gravest danger the country is facing today is the native-born American who forgets his God. The non-religious evil doesers are the nation's menace. Religious feeling is the supreme landmark of the nation.

"Social purity, Sabbath observance, cursing, drinking and morals are the questions of the moment and deserve sincere consideration. Let your responsibility be to safeguard the American landmarks, physical, political and spiritual."

LAUNCH CAMPAIGN TO ORGANIZE FIRST CLASS SCOUT BODY

Salem Council Is Heading Movement To Include Six Towns.

The Boy Scout Council of Salem is launching another big progressive movement.

Scouting as a community affair has made such rapid progress during the last few months that it has completely outgrown the limitations of the Second Class Council organized in Salem just 12 months ago.

President H. A. Greiner announces a whirlwind campaign for this week by the local council to incorporate Salem, Leontia, Columbiana, Lisbon, Damascus and Beloit into a First Class Council.

Such an organization means the employment of a full time executive, who will give his attention to standardizing and developing the troops now existing; building up new troops where needed and carrying out the much needed activities outlined by the council.

Recent important events in scouting that have been handicapped under the present organization have shown the pressing need for the contemplated expansion.

Teams are in the field crystallizing the efforts of clubs and individuals, who have for some time been working in the several towns for the enlargement of the Boy Scout program.

The publicity campaign now in full swing will be followed during the week by a financial campaign to cover the budget of the new council for one year.

Voluntary boyhood to sturdy manhood and citizenship is asked to voluntarily assist, for it will be impossible for the workers to reach everyone personally.

Regional Director Joseph M. Butcher of Columbus, who has made a thorough survey of scouting in this community and has repeatedly praised the splendid work being done by the present council, will arrive in Salem Tuesday evening for the remainder of the week to complete the new organization.

GOVERNOR WANTS LOWER GAS PRICE

Asks Standard Directors Why There Is Such a Discrimination.

Columbus, Sept. 17.—Asserting that "it would certainly appear that there is a marked discrimination against the gasoline consumers of Ohio," Gov. Donahoe today, in a letter to the directors of the Standard Oil company of Ohio, asked "why there cannot be a substantial reduction in the retail price of gasoline in Ohio."

The governor drew attention to the fact that gasoline prices in adjoining states have been stabilized at rates several cents less than those prevailing in Ohio.

"It is my desire to inquire into conditions which have created such disparity between consumer cost in Ohio and neighboring states," the governor said, especially "since freight rates for Ohio shipment are in many instances considerably lower than charges in middle western districts now enjoying cheaper gasoline."

The governor stated that he made his inquiry in no spirit of "captious criticism," but to better serve the public interests.

Charleston, W. Va., Sept. 17.—Reduction of one cent per gallon in the price of gasoline throughout West Virginia was announced today by Crittenbend Ford, state manager of the Standard Oil company of New Jersey. The last cut was made August 14.

The Pure Oil company and the Midland Oil and Gas company also announced one cent cuts today.

Rushing Medicine To Japan; Relief Fund Reaches 8 Millions

Washington, Sept. 17.—A quarter of a million dollars worth of disinfectants and medicine has been purchased by the American Red Cross to check disease in the Japanese earthquake area. It was announced at national headquarters today following a meeting of the executive council.

The medical supplies will be rushed to Yokohama on the first fast vessel to the Pacific coast.

Contributions for the Red Cross fund had reached a total of more than \$8,000,000 this afternoon.

Attend Memorial Service In Sebring

Some 10 Salem people members of Salem commandery No. 42, Knights Templar, and their wives were in Sebring Sunday afternoon to attend the memorial service for the late President Harding conducted by Masons there.

The address was given by U. S. Senator Frank B. Willis. Members of the Alliance commandery attended.

Salem Pastor Goes To Larger Field.

REV. J. P. HARMAN

CALL TO BRADDOCK CHURCH ACCEPTED BY REV. HARMAN

English Lutheran Church Pastor Will End Work Here Oct. 15.

Rev. J. P. Harman, pastor of Holy Trinity English Lutheran church, announced to his congregation Sunday that he had accepted a call to Braddock, Pa., and would conclude his duties in the Salem church Oct. 15.

The congregation is making efforts to get the pastor of the English Lutheran church at Woodlawn, Pa., a minister of considerable experience to take charge here.

It is only one knowledge that Rev. Harman is enlarging his experience and that he will have access to further college training that consoles the Salem congregation in the loss of their popular pastor.

Rev. Harman came to Holy Trinity church in June, 1921, after completing his theological studies in Sissanna college and has been active in civic work and as a leader of Boy Scouts.

He assumed charge of the local church at a time when conditions might have discouraged a less enthusiastic church worker. He has built a membership of wholehearted people and at present they are making every effort toward the erection of a new church edifice.

They have purchased the present church building and the ground at the intersection of McKinley and Woodlawn aves., and there will be no pause in their activities until they have achieved the goal.

FRIENDS SCHOOL NAMES OFFICERS

The Bible school of the First Friends church Sunday morning elected these officers for one year:

Superintendent, Charles Ingram; assistant superintendent, Albert Cobbs; secretary, Bessie Park; assistant secretary, Doris Parsons; treasurer, Mildred Ward; pianist, Martha Park; assistant pianist, Naomi Derr; chorister, Lizzie Coulson; assistant chorister, Edgar Smith; librarian, Mrs. Raymond Ingram; superintendent of home department, Mrs. George Spiker; superintendent of cradle roll, Lizzie Coulson.

Chief Finds Stolen Car On Damascus Rd.

Chief of Police Thompson Monday received a call from the Alliance police that a coupe had been stolen and was believed to be on the way to Salem. Later he recovered the car two miles west of the city on the Damascus rd. No one was in the vicinity when Thompson noticed the car in the ditch. It is owned by J. L. Flynn of Alliance.

Claim 40,000 Robbed Knights Will Gather

Dayton, Sept. 17.—Active preparations herein here today for what is described officially as being "the greatest open air convocation of the Knights of the Ku Klux Klan that the world has ever seen."

This event is scheduled to take place next Friday and it is said that 10,000 robed knights will be in line with 20 bands.

Rhineland Blockade Lifted By France

Mayence, Sept. 17.—The inter-allied high commission for the Rhineland announced that the blockade imposed by the French between occupied and unoccupied Germany would be lifted this afternoon.

WARFARE EXISTS BETWEEN KNIGHTS AND GOV. WATSON

Machine Guns Are Trained On City Hall And Door Of County Jail.

SECRET SERVICE AGENTS WATCHING

Governor Orders Arrest Of Klan Officials; Use Military Court.

Oklahoma City, Okla., Sept. 17.—Virtual warfare exists here today between the visible government of Oklahoma and the "Invisible Empire" of the Ku Klux Klan.

It was Gov. Walton's last act in a dramatic endeavor to enforce his third demand that the Klan cease its alleged influence in politics as a condition of which he would end the bayonet rule started at Tulsa Aug. 14 and carried in effect to cover the entire state Saturday midnight.

One company of infantry and a few other troops were on duty today. Machine guns overlooked the city hall.

One was trained on the door of the county jail set so that it could be turned on its base to shower bullets toward the county court.

A grand jury session was called for today but was suspended by order of the military.

Ban Public Meetings

General military headquarters was functioning at the Hickins hotel, under command of Colonel W. D. Key, of Wewoka. A proclamation provided that all traffic be closed during the night from midnight to 5 a. m., that the carrying, purchasing, selling of firearms be prohibited; public meetings banned; spreading of literature, making verbal expressions tending to create opposition to military, prohibited.

Federal employees were exempt from these general orders where they conflicted with their duties.

Secret service men from the U. S. department of justice are quietly observing developments. Other federal officers are said to be on their way here.

First action today against the Klan to arrest its high officials and put them before a military court of inquiry to collect testimony was expected to take place as soon as arrangements for the court were completed. Organization of the court was started this morning.

Campbell Russell, former corporation commissioner and initiator of a petition recently circulated throughout the state to give the people the right to vote on an amendment providing for the legislature to convene itself, was proposed to test the validity of Gov. Walton's suspension for the writ of habeas corpus.

If he should be arrested by the military for circulating petitions attacking Gov. Walton, S. Prince Freeling, former attorney general, his attorney, will ask for a writ in federal court here, it was declared.

Would Jail Legislators

Fussell charged in his pamphlet that Gov. Walton was declaring martial law in Oklahoma City to prevent a grand jury from convening for an investigation of the executive's efforts. It was through Russell's efforts that the grand jury was called.

Many members of the legislature declared today "arrest or no arrest" they would be willing to meet in Oklahoma City, or elsewhere to begin impeachment proceedings against the executive.

Walton declared Friday he would put any member of the legislature in jail if they attempted to convene without his call. The governor charged the attempt to thwart his action will be instigated by the Ku Klux Klan.

No one would attempt today to predict the outcome of the admittedly dark situation that confronted the state and especially Oklahoma City.

Federal intervention would be ironed unless the situation is fully ironed, it was predicted by those in close touch with both sides.

DR. GEORGE LEAVES CANTON DISTRICT

Methodist Superintendent Transferred To West Ohio Conference.

Cleveland, Sept. 17.—Interest in the Northern Ohio conference of the Methodist Episcopal church, which holds its closing sessions at the Lakewood Methodist Episcopal church today, centered in the assignment of pastors, which was scheduled as the final matter of business. According to reports in circulation approximately 150 changes in pastorates will be made.

Rev. B. L. George of Alliance, superintendent of the Canton district, was transferred to the West Ohio conference, and will become pastor of the Middletown M. E. church. He was chosen last week as one of the reserve delegates to the general conference at Springfield, Mass. next year.

Not On Parchment Alone

IN one of his addresses, delivered some time ago, President Coolidge said: "This administration may come and go, like the long line of its predecessors; but the government, our institutions, remain secure in the heart of the American people. More than six generations have written our constitution, not on parchment alone, nor yet on tablets of bronze, but into the everlasting heart of the American people. That is our security, that is our guarantee."

And that is our inspiration to enduring allegiance to the great fundamental charter of our democracy; in such devotion are we welded in conviction and purpose and loyalty as no other people of the world ever has been welded together.

We hear outcry against this incomparable proclamation of regulated liberty, but we need not fear for its integrity. The strong sense and affection of the American people may be relied upon to hold it as the nation's most certain assurance of security. Its most invincible guarantee of the perpetuity of free government and free institutions.

Other nations, slowly evolving from the older forms of sovereignty, never yet have realized—not even England outlined in the American constitution—the basic solidity of democracy as outlined in the American constitution. For a century and a half the United States has moved forward along lines of national progress with a rapidity unparalleled in the history of human experience. Today we challenge the ancient lands to comparison. We are free because we have yielded our liberty to the restrictions of the law, the law of the constitution. And because we have won so far and have fared so well as a nation, we yield tribute of loyal affection to the American constitution.

As the president said, administrations may come and go, the tides of time run on, but so long as this people preserves in its heart a proper reverence and affection for the nation's constitution neither principalities nor powers, nor all the ravings of radical inequity, nor all the fell influences of destroying intolerance shall prevail against our American constitution.

Calling Up The Reserves

AT the recent encampment of the Grand Army of the Republic at Milwaukee an important change was made in the rules governing that organization. The old veterans decided to call up the reserves and hereafter Sons of Veterans will be admitted to the post hall during the meetings of the G. A. R. It is a far-reaching and important change. The proposition was fought stubbornly by a large group of the veterans, but the majority decided the change should be made. It will be something of an application of the Father and Son idea, and would seem to have much of a sound appeal, even if some of the veterans did object to it so lustily.

As the toll of the years grows heavier and the ability to bear burdens is lessened it is but natural some changes will be made in the rules and management of this organization. The years have gone sweeping past, the toll has been heavy and constant, membership is dwindling and must decrease rapidly, only the exceptional member is able to shoulder heavy burdens now. The decision to make this change may be shown to be wise as the new plan is put into operation. The junior organization will have no wish to supplant the parent organization, but it can lend valuable aid in times when duty demands and the ability to respond is limited. Let the reserves respond to the call, let the Sons make full and proper use of the new provision, help the veterans when they need help, sustain them in their efforts as they persist in their determination to carry on.

When they build the international court house, let's hope they'll build an international jail right across the street.

The first iron nails made in America were hammered into ships at Cumberland, R. I., in 1777.

CARBUNCLES

If you were asked what was the difference between a carbuncle and a boil your answer would be that a carbuncle seemed to be just an actual nest or group of boils.

And such is the case. Carbuncles are more serious in that whereas a boil may mean a simple irritation and infection of a single hair or oil gland, a carbuncle is a more dangerous condition, as it reflects a generally low condition of the health. It occurs usually in men past 40 who are not getting the proper nourishment from their food. Some of the body processes have fallen down in their work.

The carbuncle starts just like a boil, on a hair which is much larger and darker looking. Within three or four days, however, small white spots appear on the surface and in about three days more, these white spots burst open and pus pours out. The skin between the opening breaks down and from this large central hole thus made plugs of pus from the various holes escape.

During this time the patient is feeling very miserable and weak. Now in the case of the boil simple cleanliness was the big factor and you were likely able to take care of things yourself.

With the carbuncle it is a different matter, and when you see that what you thought was a boil is really a carbuncle you would be wise to place yourself in the hands of your physician at once.

You see your strength must be maintained by proper food and possibly stimulants. Further incision and scraping is so often necessary, and this must be done in a clean manner, therefore you should be looked after by your physician.

Don't take any chances with a carbuncle. Its possibilities for trouble are great.

TOO FREE WITH HIS ADVICE

Higgins Wanted to Tell Smithers How He Should Buy Horse for His Wife.

Higgins is troubled with an overbearing curiosity about other people's affairs.

Occasionally, however, he comes a cropper, much to the delight of those whom he has been in the habit of victimizing.

The other day he met Smithers in a tramcar.

"Busy, eh?" he inquired in an off-hand way.

"Yes," said Smithers. "Been buying a horse for my wife."

"Have you?" said the other, his curiosity at once thoroughly aroused.

"Well, let me give you some points." "Oh," said the other, "I concluded the bargain."

"Not without trying him, surely? Was he sound in wind and limb?" "He appeared to be," was the reply.

"Doesn't he jib?" "No, I reckon not."

"Stands without hitching?" "Yes, I think so."

"Good gait?" "But here Smithers got up to leave the car. As he reached the door he called over his shoulder to Higgins:

"I forgot to mention the kind of horse my wife wanted. It was a clotheshorse."

20 YEARS AGO

(Issue of Sept. 17, 1903)
 A. W. Taylor, this city, has accepted the nomination for county prosecuting attorney on the Democratic ticket.

In a tropical storm at Atlantic City, N. J., about 50 hotels and cottages were unroofed. It is feared that there was a large loss of life along the coast.

The grocery store of H. E. Stiffer, East High st and Garfield ave., was entered by burglars Tuesday night and goods valued at \$25 was stolen.

Sept. 15, Miss Laura Cooper closed a period of five years' service as first assistant librarian at the Salem public library, and the following morning entered upon her duties as bookkeeper at the First National bank. Miss Anna Cooke has been appointed to the position of first assistant at the library and Miss Annie Singlaub, second assistant.

Mrs. J. P. Williams, of San Francisco, Calif., has been called here by the illness of Mrs. E. L. Welsh, Garfield ave., who is slowly recovering from a stroke of paralysis.

A. L. Dow, superintendent of the Salem Waterworks company, left this morning for Columbus, where he will attend the annual convention of the Central States Waterworks association.

P. W. Emmerson, of Topeka, Kan., noted prohibition lecturer, will speak in Salem, Oct. 7 and 8, in his tour of Ohio.

The Washingtonville school opened Monday with a total enrollment of about 257. E. S. Freed is superintendent of the school.

M. R. Campbell left this morning for Atwater, where he will attend the funeral of Friend Whittley, one of the most prominent men of Portage county.

Mrs. Oliver O. Hogan and daughter Myrtle, left Sunday morning for Indianapolis, where the latter will attend school the coming year.

FUNDS FOR LEGION HOME RAISED AT COLUMBIANA FAIR

Annual Homecoming Brings Thousands To Columbiana Saturday.

Columbiana, Sept. 17.—Following a custom made years ago, Columbiana held its annual homecoming Saturday. The event is always held the first Saturday after the county fair. This year, as has been the case since the war, the American Legion post was in charge.

Crowds aggregating thousands milled about refreshment stands all afternoon. In the evening a dance was held in the legion's rooms. During the day thousands of residents of nearby townships and villages came to renew old friendships.

Various concession stands were operated in the street under legion auspices. Squared in the center of the stretch of color stood the Columbiana fire company's equipment, including a new, bright red truck recently added. The equipment was there partly in case of an alarm, but quite as much to exhibit the new apparatus.

For the day parking space was at a premium, but Columbiana's streets

Wire It Right In the Beginning
 Homebuilders! Property Owners! Landlords and Architects! Read this message from the American Builder Magazine—
 "Wiring a house in the most complete manner possible is not expensive. It seldom exceeds five per cent of the cost of building. It is the greatest labor saver that a home can have and the cheapest of all permanent comfort equipment of a home. It costs less than plumbing and heating, and when it becomes as thoroughly understood as plumbing and heating it will be as carefully planned."
 You're not going to be satisfied having that new house wired for one center fixture in each room. That's only the beginning. What about decorative little side wall brackets—you may want them sometime. Where will you attach your lamps? And the toaster? And the vacuum cleaner? And the iron and the washer? And the curling iron?
 SEE THAT YOUR WIRING CONTRACTOR PROVIDES "CONVENIENT OUTLETS" IN EVERY ROOM, ON PORCHES, AND IN THE LAUNDRY. Have this done when the house is first wired and save money! Our Lighting Engineer will gladly confer with you or your architect.

SOCIETY

Reunion At Grange Hall

A reunion of relatives and friends of Henry Mounts, of Clinton, Mo., was held Sunday at Butler grange hall, near Winona. Mr. Mounts formerly lived in the vicinity of Winona.

A picnic dinner was enjoyed and the time passed happily with renewing friendships. Mrs. Page Clinton, Mo., daughter of the honor guest was in the company, of more than 110 people, some coming from Salem, Hanover, Cleveland, Sebring, Lisbon.

Honor Guests

Honoring their guests, Mr. and Mrs. Mosley and Mr. and Mrs. H. E. Stiller and children, Alleen, James and Mary Jane, and Mr. Beverly, of Canton, Mr. and Mrs. W. E. Mounts were hosts at an enjoyable party Saturday evening at their home, East Fourth st. The event interesting a group of their friends. A musical program entertained the company.

Parker-Webb Reunion

Fifty-six members of the Parker and Webb families held their first family reunion Sunday at Geoburg. Among the company were relatives from Cleveland, Atwater, Monaca, Youngstown, West Middlesex, Rosemont, Ellsworth and Salem.

Fred Webb was elected president and Mrs. Carrie Arnold of Rosemont secretary-treasurer.

Bridge Club Meets

Mrs. L. A. Sharp was hostess Saturday afternoon to members of her bridge club. The afternoon was made interesting with their favorite game and Mrs. Sharp served a luncheon.

In one month the club associates will be the guests of Mrs. C. E. Strick.

Mr. and Mrs. A. F. Kormann and daughters Eleanor and Mildred and Miss Adeline Mattmiller of New Brighton, Pa., returned home Sunday night after a short visit with Mr. and Mrs. C. F. Franke and family of the Goshen rd.

Mr. and Mrs. J. R. Vernon will leave Monday night to spend the winter in Miami, Fla. They will be accompanied by their daughter, Mrs. D. E. Sheehan of Miami, who has been spending some time with them.

Mr. and Mrs. Frank Simmons and Mr. and Mrs. Ross Hinchliffe and daughters Vera and Mildred, spent Sunday with Mr. Simmons' parents, Mr. and Mrs. W. P. Simmons at Kilgore.

Miss Iva Hoopes left Monday morning for Wichita, Kan., to resume her duties at the Y. W. C. A. after spending her vacation with her parents, Mr. and Mrs. L. C. Hoopes, Franklin ave.

Mr. and Mrs. Leroy Morris and Mr. and Mrs. Charles Barnes and son, Robert, spent Saturday and Sunday with Mr. Morris' parents, Mr. and Mrs. John Morris, at Charleoi, a.

Mr. and Mrs. A. Query and two children and Charles McKenzie, of New Brighton, and Branch McKenzie of Columbus, spent Sunday with Mr. and Mrs. J. E. Leenhout.

Mr. and Mrs. Jesse Bard of Cleveland, who have been visiting his parents, Mr. and Mrs. George Bard, Liberty st., will return home Monday evening.

Miss Helen Woerther has accepted a position in the Salem Waterworks office, succeeding Miss Wirsching. She assumed her new duties Monday.

Dr. and Mrs. G. J. Hawkins and Dr. R. D. Linn returned Friday evening from Cleveland where they attended the National Dental convention.

Mr. and Mrs. Walter Freet and daughter, Virginia, and Mr. and Mrs. I. H. Cook spent Sunday with Mr. and Mrs. D. A. Taylor at Struthers.

Mrs. C. Y. Bair, Gardfield ave, left Saturday for Philadelphia, where she will spend some time with her son, William Bair and family.

Mrs. Nora Hartzell, of Alliance, is visiting her sister, Mrs. Lorena Whitacre, this city, and will also visit relatives at Leetonia.

Charles E. Trotter, little son of Mrs. Zora Trotter, Lincoln ave., who has been ill of diphtheria, is reported to be recovered.

Mr. and Mrs. Lee Lanpher have returned home from a short visit at Niagara Falls, making the trip by machine.

Mr. and Mrs. Harry Behner and family of Homeworth were the guests of Mr. and Mrs. Frank Behner Sunday.

Miss Anna Carey underwent an operation for the removal of her tonsils at the Salem City hospital Monday.

Mr. and Mrs. Charles Schwartz and son of Cleveland, visited relatives here over the week end.

Robert Earl Kridler left Monday to resume his studies at Carnegie Tech school at Pittsburgh.

Mr. and Mrs. Reginald Mullette of Massillon spent the week end with relatives here.

Miss Miriam Thumm of Cleveland was a week end visitor at the home of her parents here.

Miss Edith Crew was a Canton visitor Sunday the guest of Robert Crew and family.

George Martin of Mechanicsburg spent Sunday with Mr. and Mrs. J. T. Darling.

Mr. and Mrs. R. Z. Zimmermann of Zanesville are the guests of Salem friends.

Mr. and Mrs. D. D. Kirby are preparing to remove to Pittsburgh about Oct. 1.

B. W. Bradshaw of Alliance is the guest of R. B. Stratton, of the Franklin rd.

Mr. and Mrs. L. D. Watters motored to Palmyra and Ashtabula Sunday.

Howell-Hum

St. Paul's Lutheran church at Leetonia was the scene of a beautiful autumn wedding Saturday when Miss Ruth Marie Howell, daughter of Mr. and Mrs. L. A. Howell of Leetonia, became the bride of Ray C. Hum of Columbiana. Rev. H. C. Brillhart, pastor of St. Paul's church, was the officiating clergyman.

Only immediate members of both families attended the wedding. The bride was attractive in smart costume touches of rose and a hat to harmonize. She carried a shower bouquet of Ophelia roses.

Miss Katherine Howell, of Youngstown, sister of the bride, who was maid of honor, was attractive in a gown of black satin faced crepe with silver trimming. Forest kamae, a cousin of the groom, served as best man.

"Strains of 'I Love You'" were played during the ceremony. Mr. and Mrs. Hum left for Washington, D. C., and other points of interest on a wedding trip. They will be at home at 1109 Wick ave, Youngstown after Oct. 1.

The bride is very accomplished as well as charming and attractive personally, and much admired in Youngstown and Leetonia. She is a graduate of the Leetonia High school and for several years has been identified with the purchasing department of the Republic Iron & Steel Co. Mr. Hum is connected with the Hearn-Miller Co. of Youngstown.

Bunker Hill Classes Picnic

The young women's and young men's classes of the Bunker Hill church held an outing Sunday at Nelson's Ledges, making the trip in automobiles.

The young folks took a basket dinner with them and the day was devoted to informal picnic diversions and exploration of the resort. The Misses Mary Conrad of Berlin Center and Zelma Hines of Salem, former members of the young women's class, were invited guests.

Marriage Licenses

Miss Florence Johnson, of Lisbon, and Marcus O. Peppé, of Leetonia, were married this morning at the home of Rev. P. E. Carson, of the United Presbyterian church, Lisbon.

A marriage license was issued to Clara M. Mettsch of East Liverpool, and Anthony F. Buchanan, Wells ville.

The Misses Zillah and Ella Stamp were Alliance callers Sunday.

Harvey Rogers has resigned his position at the Speldet shoe store.

APPEALS VERDICT FOR AUTO MISHAP

As the result of an auto accident May 18, 1923, in which the car of Newton Blake was damaged by a swinging trailer to a truck, operated by the Patton Motor Trucking Co., of Akron, suit was brought in the court of Justice S. S. Weaver of Columbiana to recover \$200 damages.

A jury in the justice court found for the plaintiff in the full sum. The defendant Monday filed an appeal to the common pleas court, asking that the case be reviewed.

The accident, so the plaintiff alleges, happened because the trailer was not securely fastened to the truck and when the truck swung out to pass the automobile the trailer skidded in front of plaintiff's car, wrecking it.

Grange Gives Large Class Fifth Degree

Several candidates were given the sixth degree at a special meeting at Columbiana County Pomona grange held Saturday evening at Perry grange hall, with a large number of grangers from over the county attending.

The degree was put on in full form by the Pomona officers. The Elkan grange orchestra contributed musical selections.

These candidates will be given the sixth degree at a special meeting at Niles in October and the seventh degree at the national grange meeting to be held in Pittsburgh.

WINONA

Isaac Satterthwaite and daughter, Miss Esther, and son, Wilmer, motored Sunday to Burton and spent the day with Mr. and Mrs. Carl Morton.

Mr. and Mrs. John Rhodes, of North Jackson, spent the week end at the home of Jesse Edgerton.

Mrs. Susan Bean of Bridgeport, is visiting her cousin, Mrs. Fremont King.

Mr. and Mrs. Arthur Binns and children of Cleveland, spent Sunday with relatives here.

Miss Alice Binns spent the week end with Columbiana relatives.

Mr. and Mrs. George Megrall motored Monday afternoon to Wellsville to attend the funeral of a relative.

Stricken With Paralysis

Mrs. W. W. Moore, of East Palestine, is ill at her home suffering from a stroke of paralysis. She is the mother of Judge M. C. Moore of the Municipal court, Alliance.

Joseph Guindon of Alabama has returned to Damascus where he plans to locate. His family will arrive here soon.

Mr. and Mrs. J. E. Cope, Lydia Cope, John Cope and Oscar Cope called on relatives in Lisbon Sunday.

USED CAR SALE

Now is the time to buy a used car cheap. No reasonable offer refused as these cars must go. The Salem Nash Motor Co., 66 Pershing avenue. 2197

French statesmen are worrying over the declining birth rate; the rest of the people, it appears, are declining to worry.

Puffed Rice—the morning dainty

Shot from Guns

Steam exploded grains

Quaker Puffed Rice and Quaker Puffed Wheat are made by Professor Anderson's great process. The grains are sealed in guns, then revolved for an hour in fearful heat. When the guns are shot, over 125 million steam explosions are caused in every kernel.

Airy, flaky—8 times normal size

The grains come out as airy globules, thin, porous, crisp and toasted. The fearful heat gives them a nut-like flavor. And the broken food cells fit all the food elements to digest and feed.

No other cereal dainties in existence compare with Puffed Grains in delights.

Minerals—vitamines—bran

Quaker Puffed Wheat in milk forms a supreme dish for children. Wheat supplies 12 minerals which growing children must have. It supplies the bran they need. And milk is rich in vitamins.

Serve Puffed Grains morning, noon and night. Make whole grains tempting to the whole family.

Quaker Puffed Rice

Quaker Puffed Wheat

Serve with cream and sugar. Mix them in every dish of fruit. Crisp and douse with melted butter for hungry children in the afternoon. Millions of children are better fed because their mothers thus make whole-grain foods enticing.

Puffed Wheat in milk at night

OBITUARY

Mrs. Charles A. Bard
Mrs. Charles A. Bard, 49, of Columbus, formerly of Leetonia, died Saturday evening in a Columbus hospital where she underwent an operation.
Mrs. Bard, daughter of Mr. and Mrs. John Kale, was born at Leetonia and lived there most of her life.
Besides her parents she is survived by her husband, two sisters and three brothers, Mrs. Switzer, Mrs. Ballentine and William Kale, Cleveland; Marshall Kale, Pittsburgh, and James Kale, El Paso, Texas.
The funeral at 3 p. m. Tuesday will be at the home of her parents, 412 Summer st., Leetonia, in charge of her son, John Kale. Burial in the Leetonia cemetery.

Mrs. Jacob McMillen
Lisbon, Sept. 17.—Funeral services over the body of Mrs. Esther McMillen, 71, will be held at the family home near Church Hill at 1:30 p. m. the Lisbon cemetery.
Mrs. McMillen died early Sunday morning after suffering for some time with heart trouble. She is survived by one son and her husband Jacob McMillen.

WASHINGTONVILLE

At the M. E. church Epworth league service Sunday evening one new member was added to the roll. The program for next year was outlined by each department. Miss Helen Simpson and Mrs. Theodore Riddle were in charge of the meeting.

Delegate Gives Report
Mrs. Herbert Smalley, delegate to the recent Christian Endeavor convention in Salem, gave her report at a meeting of the Lutheran society Sunday evening. At the evening service Dr. P. W. Koller, Mansfield, preached to a large congregation and installed the pastor, Rev. H. A. Brandt. Prayer service will be held at 7:30 p. m. Thursday.

Mrs. William Kyser, Miss Margaret Metz and Mr. and Mrs. Harry Culler and family of Leetonia, and Miss Florence Culler and Andrew Archibald of Pittsburgh, spent Sunday with Mrs. Anna Culler.
Mrs. Ellen Sommerville has gone to Cleveland to spend several weeks with her daughter, Mrs. James Moore and family.

Mr. and Mrs. Frank Stecker, daughter, Frances and son, Fred, and Mrs. John Stecker, Steubenville, were week end guests at the home of Mr. and Mrs. Jacob Stecker.

Miss Maude Woolf, who is making her home with Mr. and Mrs. Curtis Jackson, spent Sunday with her mother in Akron.

John Corl and Stanley Frazier of Canfield were Sunday visitors at the home of Mr. and Mrs. Harry Herrington.

Miss Mildred Andrews visited over the week end with relatives in Pittsburgh.

Miss Ella Needham of Youngstown spent Sunday with her parents, Mr. and Mrs. James Needham.

Mr. and Mrs. Frank Warner and children, of Columbiana, visited with relatives here Sunday.

Attend Street Fair.
A large number of people from Washingtonville attended the Columbiana street fair Saturday.

Jack Kling, Glen Jackson and Jacob Parry went to Cleveland Friday to attend the Boys' conference of the M. E. church.

Sarah Davis, Mildred Hahn and Nora Neff are suffering from whooping cough.

Mr. and Mrs. Daniel Eyster of Newcomerstown visited last week with Mr. and Mrs. Elmer Indermill.

A new furnace is being installed this week at the Lutheran church and work on the basement is progressing rapidly.

Miss Mary Fitzsimmons, principal of the school, was able to resume her duties Monday after a 10 days' illness.

"Hell And Maria" Is Mute Before Gen. Sawyer.

Brig. Gen. C. E. Sawyer.

Brig. Gen. Charles E. Sawyer, physician to President Coolidge, towers five feet five inches into the air. Brig. Gen. Charles E. Sawyer, who was chief purchasing agent of the A. E. F., is a pygmy of six feet, and muscular. He is better known as "Hell and Maria" because of the rapid-fire way he told congressmen they were pinheads three years ago. Recently the two left the White House, after a conference with President Coolidge, and newspaper photographers asked them to pose. Gen. Sawyer is particularly averse to this form of outdoor amusement and was saying so in his characteristic fashion, when Gen. Sawyer silenced him with five words. "Don't talk so damned much!" he said, and the giant Dawes quieted down and posed for his photograph.

Odd Fellows Open National Conclave

Cincinnati, Sept. 17.—Thousands of Odd Fellows from all parts of the United States and Canada are attending the 94th annual convention of the sovereign grand lodge here, formally opened today. More than 40,000 persons are scheduled to participate in the parade Wednesday.

STOCKS

OPENING IS FIRM
New York, Sept. 17.—A firmer tone was noted at the opening of the stock market today. Recoveries running from a fraction to over two points were made in a score of active issues. Gulf States Steel was a strong spot, rising 1 1/2 to 79; Bethlehem Steel yielded 1/2 to 48 1/2 and Baldwin rose 1/2 to 116 1/2. Studebaker rose 1/2 to 101 1/2; Stewart-Warner 1 1/2 to 83 1/2 and Mack Truck 1/2 to 75 1/2. Oils were irregular, Pan American Petroleum rising 1/2 to 56 1/4; Sinclair Oil off 1/4 to 19 3/4; Marland up 1/2 to 21 1/2. Southern Pacific gained 1/2 to 86 1/2; Reading 1/2 to 73 1/2; New York Central a fraction to 10 5/8. Pere Marquette, however, yielded 1/4 to 49 1/2, and Rock Island a fraction to 21 1/2.

Paint for this garage less than \$6.00

DO you know that you can give a garage like this (12' x 20') two good coats of paint with 1 1/2 gallons of Certain-teed, making the paint cost less than \$6? Give your garage the same attention you give your car. You can keep both looking like new with a little paint.

Certain-teed paint keeps your property from running down and decreases the average yearly depreciation by about one-half. Certain-teed shows its quality in three ways: it lasts longer, holds its color better, and covers more surface than ordinary paint.

Silk for Seven Days a Week

And every hour in the day!
For where once a silk dress meant a "best" dress, it now means a morning frock, a sport dress, an afternoon gown, a dinner-and-dance frock—and even the little "nightie" for bed.

It takes diversity in silk weaves to serve such varied uses. Look in the silk store and you will see how many, many weaves and kinds there are—all different, all beautiful and none expensive.

How Accurate Should a Watch Be?

In the U. S. naval observatory there are several Riefler clocks, installed at great expense.

These are mounted on concrete piers to avoid vibration. They are housed in a room which is kept always at a constant temperature. Every 28 seconds they are wound by electricity—their pendulums swing in a vacuum. Yet, in spite of all the precautions which human ingenuity can devise, these clocks do not keep perfect time.

The public, ignorant of these facts, often expect accuracy from a watch of unknown foreign manufacture. Obviously a cheap watch cannot be as accurate as a more costly one.

BULOVA WATCHES

DUTCH NAMED CONEY ISLAND

Discovered in 1524 by Verrazano, and in the Public Eye Ever Since That Time.

Coney Island, New York's lively and picturesque playground, has a history as lively and picturesque as itself. It has been in the public eye ever since 1524, when, according to some authorities, it was discovered by Verrazano. Although Coney is long and thin now, stretching about six miles from east to west, according to old maps it was short and fat when Henry Hudson, first sailed past it.

The early history of Coney Island is as full of romance as that which she is making at present. The Hollanders in Kings county named it Conyen Eylandt, which is Dutch for Rabbits Island, and used it for a pasturage for cattle, remarks the New York Sun and Globe.

When, in 1642, the English Gravesenders arrived they were met by Antony Jansen Van Salee, nicknamed "The Turk," who claimed the island. Jansen, although originally a Dutchman, had long lived in Barbary, and acted and dressed like the traditional Turk. He had been a resident of New Amsterdam, but got in "Dutch" with the authorities by threatening Dominie Bogardus for dunning him for church dues.

The trouble started when Bogardus' wife, Annike, snubbed Mrs. Jansen, who, piqued, gave vent to the gossip about the dominie's wife lifting her skirts too high while stepping over a mud puddle. The dominie retorted by dunning for dues. Jansen's reply was a threat of personal violence, and he was bound over by the authorities not to carry anything more deadly than an ax within the limits of New Amsterdam.

Jansen moved to a farm in New Utrecht, where he found more freedom, and when the Gravesenders obtained their patent his farm was part of the western boundary. He defended his claim vigorously, claiming the overlordship of Coney Island, until the Gravesenders' right to it was established.

HUMMING BIRD OF THE SEA

Smallest Seaplane Ever Constructed Is Designed for Use on Submarines of American Navy.

The smallest seaplane ever constructed, intended for use on naval submarines, was tested by experts at the naval air station at Anacostia the other day. All submarines are to be equipped with this "humming bird of the air," as the bureau of naval aeronautics describes the novel craft.

In effect the new seaplane will be an enormous aid to the submarine, as it will give it a periscope thousands of feet in the air. It can be stowed in parts in the small space available in a few minutes. It measures eighteen feet over all and weighs scarcely one thousand pounds and has a three-cylinder, sixty-horsepower engine.

Some of the planes already have been delivered to the naval air station at Hampton Roads and it is expected they soon will be in service.

The Train Talkers.

"My wife's played out sitting around in the heat. Guess I'll have to ship her off to the mountains after all."

"Mine, too. She says she's all in."

"And yet?"

"Just look at that pretty girl over there. Stenographer, I'll bet."

"Yes. I happen to know her."

"Now she looks as fresh as a daisy. Instead of lying around in a cool, comfortable home all day she has to work in a hot office from 9 to 5."

"No time to be hot, I suppose."

"Must be it."—Boston Transcript.

Hired.

The steady tendency in our civilization is to get the same results with fewer employed. This constantly releases man power for the operation of new industries and expansion of old ones—that is, a gradual increase in our average standard of living.

Government issues figures showing that American farms in 1920 had 1,705,000 fewer workers than in 1910. In the same ten years the auto industry, movies and railroads added nearly a million employees to their pay rolls.

It Hurt.

A stone carver was on the witness stand describing the way in which he had been assaulted by the defendant:

"He walked right into my yard and slammed me up against one of my tombstones," the witness said.

"Did he hurt you," inquired the court.

"Hurt me?" roared the witness. "Why, I've got 'Sacred to the Memory of' stamped all down my back."—Philadelphia Ledger.

New Noses.

German surgery has profited so greatly by the lessons learned in restoring disfigured faces of wounded soldiers that it is now possible to substitute a person's face almost entirely. Particularly in affixing new noses or in straightening out old ones have the operators come to be regarded as perfect.

Will It Improve Her Health?

"According to an eminent doctor," said father, looking up from his paper, "society girls should spend the summer in factories, as it would give them a complete change for their health, which they greatly need."

"All right, papa," spoke up his daughter, "I'm ready—now go and get me a job in a candy factory."

Persons who want anything known that The News is the Want Medium in this vicinity. So read it.

ATTACK TAX ACTS AND AGE PENSIONS

Opponents File Arguments With Secretary of State.

FORESEE INCREASED TAXATION

Maintenance of Ohio State Government Costing \$235 Per Capita More Than the State Receives in Revenue, According to Census Bureau. Schools For Segregation of Boys Proposed by Exchange Clubs.

Columbus, Sept. 17.—Opponents of the Taft and Albaugh tax laws and the old age pension proposal have filed arguments with Secretary of State Thad H. Brown. They charge that increased public expenditures and consequent additional taxes will result if these measures become effective.

Arguments against the old age pension law, which was initiated by the Ohio Federation of Labor and the Fraternal Order of Eagles and failed to receive consideration at the inside of the last general assembly, were prepared by a committee composed of George Pomeroy, Toledo, president of the Ohio Board of Commerce; C. A. Dyer, chairman of the executive committee of the Ohio State senate, and C. W. Patterson, Findlay, president of the Ohio Retail Dry Goods association. They aver the proposed pensions will bring about an immediate increase of \$20,000,000 in taxes and create a bureau at Columbus as well as in every county, the initial expense of which will be more than \$300,000.

"An already overtaxed citizenship must bear these additional burdens and contribute to the support of those who have failed to produce and save," it is cited. "The proposed law will not diminish the demand for charity or do away with taxes for charitable institutions, as these persons who are now receiving public charity can not under the law apply for a pension. As it requires a residence of only 15 years in Ohio, improvident, elderly people who have no property will flock to Ohio from other states. Both husband and wife may claim pension at the same time."

Arguments cited against the Taft law, drafted by John E. McCrehen, Bert B. Buckley, David H. DeArmond, Raymond T. Cragin and Alice M. House, charge it permits an increase of 2 mills in the tax rate of every city and village, that it places all sinking fund and interest charges outside the limitations and "places in the hands of public officials the power to levy higher taxes without consulting the people."

An increase of a million dollars in expense and taxes annually is charged against the Albaugh law, which "will establish a new department of government at a time when we should economize in public expense." "The Albaugh law is loosely drawn. It creates a new assessing authority without eliminating the one now in existence," it is charged. The arguments are signed by John A. Zangele, H. T. Palmer, Frank J. Bicknell, John H. Williamson and Marvin G. Clark.

Sponsors of the old age pensions, Taft and Albaugh laws must file their arguments this week. In order to permit Secretary of State Brown to publish the public pamphlet which the law requires him to send out to all the voters.

It will not be known definitely whether there is to be a referendum on the Taft law until the supreme court decides litigation now pending before it. It is to hear the cases in point on Sept. 25.

At Cleveland the Citizens' league appeared in common pleas court and urged a thorough investigation by the county prosecutor's office of the Albaugh bill referendum petitions. They charged the petitions were fraudulent and urged prosecution of persons responsible.

The referendum is sponsored by the Cleveland Real Estate Board, in conjunction with the State Association of Real Estate Men.

According to an announcement by the federal census bureau, maintenance of the Ohio state government for the fiscal year ending June 30, 1922, cost every Ohioan \$11.35, and this was \$2.35 more than the state received in revenues. The federal compilation shows that Ohio taxes jumped from \$3.99 per capita in 1918 and \$3.60 in 1915 to \$11.35 last year, almost quadrupled.

Despite the increase, Ohioans are paying less taxes per capita than citizens in other states where revenue figures have been compiled by the government. "Incidentally, in Ohio the margin between state governmental costs and taxation receipts is not as wide as in other states."

Last year per capita taxation in Michigan was \$24.07, which was \$8.01 more per person than the commonwealth received in revenues. Delaware is another high taxation state. There the per capita cost was \$24.89 or \$2.63 more per person than the state received.

The census bureau has completed tabulation of financial statistics for

15 states. The figures follow: Ohio, \$11.35 per capita cost and \$2.35 excess over receipts; New Jersey, \$14.91 and \$4.12; Michigan, \$24.07 and \$8.01; Kentucky, \$7.71 and 35 cents; Illinois, \$7.83 and \$1.06; Colorado, \$16.69 and \$2.47; Maine, \$19.59 and \$2.29; Delaware, \$24.89 and \$2.63; Nebraska, \$9.58 and \$1.72 less than receipts; Wyoming, \$24.75 and \$1.82 less than receipts; Wisconsin, \$12.92 and \$1.02 less than receipts; Rhode Island, \$11.84 and 8 cents less than receipts; Minnesota, \$17.06 and 13 cents less than receipts.

In each state, as in Ohio, cost of government shows a constantly increasing tendency. Per capita costs of federal taxation, however, is more than three times the per capita cost in Ohio and although promises of reduction are being made none is actually in sight. For the current fiscal year which began July 1, congress appropriated \$2,965,836,772.04. Based on an estimated population as of July 1, 1923 (by the census bureau) of 119,662,502 persons, cost of running the federal government this year is more than \$26 per inhabitant.

The net indebtedness (funded and floating debt less sinking fund assets) of Ohio was \$4.96 per capita in 1922, as against 96 cents in 1918 and \$1 in 1915. The increased indebtedness, it is explained, is due chiefly to the issue of \$25,000,000 worth of soldier bonus bonds.

In 1922, the assessed valuation of Ohio property subject to ad valorem taxation was \$10,406,660,682; the amount of taxes levied was \$1,819,138, and the per capita levy \$2.66.

Per capita costs of \$11.35 for 1922 consisted of \$9.14 for general departmental expenses; \$2.15 for outlays on the state debt; 2 cents as interest payments and 2 cents for expenses of public service enterprises.

Property and special taxes represented 47.3 per cent of the total revenue. Earnings of general departments or compensation for services given by state officials comprised 6.4 per cent of the revenues. Business and non-business licenses produced 23.1 of the revenue. Business revenues consisted chiefly of revenues from insurance and other incorporated companies, while the non-business revenues came from taxes on automobiles and hunting and fishing privileges. Just how much motor cars paid into the treasury was not compiled.

The affiliated Exchange clubs of Ohio, which met at Mansfield this week, adjourned without coming to a definite settlement of the program for schools for the segregation of boys. The plan as outlined by Dr. H. S. MacAyeal, former state director of welfare work, called for the establishment in each city of a school for wayward boys; a school in Mansfield for the more hardened; make Lancaster school a real reformatory, and build a school at London for the feeble minded and degenerate boys.

This proposition developed a spirited debate. A committee composed of Dr. MacAyeal, Rev. R. R. Philbrandt of Cincinnati and Attorney William Hasselman of Cleveland, was selected to present this matter to the club.

The officers elected are Dr. A. H. Jenkins of Cleveland, president; H. A. Albrecht, Mansfield, first vice president; Frank E. Ruth of Columbus, second vice president; John R. Rutledge of Akron, third vice president; Charles S. Griscom, Cleveland, secretary; Russell Sankey, Youngstown, treasurer; Paul Stewart, Massillon, marshal; Rev. R. R. Philbrandt, Cincinnati, squire. The board of control will select the next place of meeting.

Speakers at the national W. C. T. U. convention here contended that penalties for violation of the prohibition laws are inadequate. "The Volstead law as far as its civil features are concerned is drastic enough and adequate, but criminally it does not compare favorably with any other law," Mrs. Mabel Walker Willebrandt, assistant attorney general of the United States, said. "It is time that we recognized that it is as great an offense to build up the illicit bootlegging business as it is to slip a few dollars from a tax that should be paid. The penalties imposed for violation of the law are inadequate to meet the lawless traffic that has grown up. We will never enforce the eighteenth amendment by 'Coughing' it; the only way we will enforce it is by 'girding our loins' and going to it."

Whether crude rubber can be profitably grown in the Philippines to supply demands of Ohio rubber tire factories will be determined by a commission headed by an Ohioan leaving Seattle next week.

The Philippine investigation is a part of the campaign authorized by congress last winter to discover new sources of crude rubber in order that American factories can be independent of British rubber export restrictions. To conduct this research \$500,000 was appropriated. Two commissions have already sailed for South and Central America, while an expert investigator has gone to the British East Indies to get comparative costs data.

C. F. Vance of Troy, O., heads the experts sailing for the Philippines. The Ohioan was chosen because of his familiarity with Philippine conditions. He spent 15 years in the islands after entering the government service from Ohio. Vance expressed himself as being "firmly convinced" that the Philippines offer great possibilities in rubber production.

INDEPENDENTS TIE SCHAFER BARBERS ON SEBRING FIELD

Riot Following Game Mars Sports; Contest Ends In 6-6 Tie.

In their first game of the season the Schaffer Independents played a 6-6 tie with the Schaffer Barbers of Sebring on Sebring Sunday afternoon. The game was full of line plays and marked by brilliant individual work. A small riot at the end somewhat marred the fine game that had gone before.

Delayed for an hour during which time the Masonic memorial service was held the Sebring team appeared at 3:30. Another half hour was spent unding the officials. At 4 o'clock the game got under way with the new southwest field jammed with the greatest opening football crowd in the history of Sebring.

Barbers Make Touchdown Within two minutes after the start of the game the Barbers forced over a touchdown with a crisp cross play through Sebring's right tackle. This play was unexpected but the Barber back found it tough to break through.

During the first half the ball was mostly in Sebring's territory, but despite the fine work of Koenreich and Litty, ends, coupled with the faultless passing of Quarterback Case, the Independents were unable to score. Litty pulled down several long passes they brought the crowd to its feet.

In the second half the Barbers stiffened and the Sebring team did not get within striking distance of the Sebring goal until the last few minutes of the game.

It was exactly the last 40 minutes of the game and the ball was in the possession of the Independents on the 20 yard line. Case called for a fake pass and Hodge ran way out as though to get it. Seeing that Hodge had a clear field Case threw it to the Sebring halfback and he romped over the line with the ticking counter. Case failed in his attempt to kick goal and victory that perched in Sebring's grasp flew to the wind.

Dowd Is Star Dowd at Center was a sensation. Time after time he broke up opposing plays and was a real star. Case, the two ends Litty and Koenreich and Scullion played a fine game. Hodge at half pulled some hair-raising plays in open field running.

The riot at the end of the game was started when a big Barber jumped on Koenreich and the fight was on. Both teams participated in the battle royal that was not scheduled and it took the combined efforts of Sebring's police and spectators to quell the disturbance.

The Barbers, who outweighted the Sebring team, will play a return game here during the season. The Sebring lineup was as follows:

Litty, left end; Taylor, left tackle; Wiggers and Corso right guard; Dowd center; Sechler, Ward and Anderson, right guard; Anderson, Welch, right end; Case, quarter; Hodge, left half; Scullion, right half; Sartick, full.

Eliminate Onside Kick And Skidding Into Touchdown

Several interesting changes have been made in the official code of rules governing football for the 1923 season. Among them are new rules which eliminate the onside kick and skidding for touchdown after being tackled.

Perhaps the skidding for touchdown rule is the more important of the two. This season, when a player upon being tackled near the coveted goal line, tumbles with such momentum that he slides across the line, a touchdown will not be registered. Instead, the ball will be put in play in the one yard line. This change is of benefit to the lighter team, who heretofore have been handicapped in endeavoring to stop rushes on their goal line by heavier fellows.

A center will be able to pick the ball off the ground this year to claim an opponent being offside, without the ball being declared snuffed.

There'll be no kicking of a loose ball in the end zone by a defending player when an attacking player was about to fall on it. The player thus violating the rules will be forced to see a touchdown inflicted on his side. If no attacking player is near the ball, however, when it is kicked a safety shall be registered.

New Delay Penalty A new delay penalty has been added. A team delaying the start of the game without good reason for more than 19 minutes shall suffer a 25-yard penalty the ball to be put in play by a scrimmage. The offending side has the choice of goal and the privilege of deciding whether it will put the ball in play on its opponent's 35-yard line, or whether the offending side will put the ball in play on its own 15-yard line.

Another important ruling is as follows: A team kicked from behind its own goal line, and the ball striking a player of the same side, who was in the field of play, rebounded back to the goal line and was recovered by a player of the offensive. The captain of the defending side now receives the option of taking the ball at the spot where it struck the onside player or of declining the penalty and accepting a safety.

Roughing and Clipping However, if the ball had struck a player of the same side while he was on side and recovered by his side, it would count as a safety, while if it had been recovered by an opposing player it would count as a touchdown.

The offensive side has the privilege of deciding whether a penalty for clipping shall be measured from the spot of the down or of the foul. A penalty

for roughing a forward passer shall be measured from the spot of the foul.

St. Louis at Washington, Cleveland at New York; Chicago at Boston; Detroit at Philadelphia.

Nine Football Games On Lisbon Schedule

Lisbon, Sept. 17.—Nine games are to be played by Lisbon High on the gridiron this season. Leontia high is the opener, Lisbon playing its first game at Leontia Sept. 29, one week after most of the county teams get started.

The team will be somewhat heavier than last year and predictions are that it will also be a fast one. Practice workouts indicate that the team is rounding into shape, though slowly.

The following games are on the list:
Sept. 29—At Leontia.
Oct. 6—Alliance here.
Oct. 13—Wellsville here.
Oct. 20—At Minerva.
Oct. 27—At Uhrichsville.
Nov. 3—East Liverpool here.
Nov. 10—East Palestine here.
Nov. 17—Niles here.
Nov. 24—At Salem.

GLOVE BY NO MEANS MODERN

Its Use Can Be Traced With Unerring Accuracy Back to the Most Remote Times.

The origin of the glove dates back to remote antiquity. There is reason to believe that the ancient Persians wore them, since it is mentioned in the "Cyropaedia" of Xenophon that on one occasion Cyrus went without his gloves. It is also known that some kind of protective coverings for the hands were used by the Romans in certain kinds of manual labor and in battle. The English scholar, Dawkins, discovered on a bone dating from prehistoric days a design which he claimed to be a picture of a glove. On the monuments of the Pharaohs in Egypt there are represented among the tributes paid by subjected people gloves of the shape of the long spade worn by modern women.

Homer speaks of the gloves worn by the ancient Greeks in garden toil, and, though a crude mitten may be meant, it is also thought that the ancients knew the fingered glove. Gloves of the ancients corresponded in color with their foot coverings. The sandals and bootlike stockings were generally white or pink. Mittens are among the dress accessories found with mummies of priestesses dating from the 21st dynasty of Egypt. They were of the same material as the upper garment.

SALEM HIGH WILL BEGIN INTENSIVE WORK FOR OPENER

Scrimmage Starts Tuesday As Team Preps For Battle With Sebring.

This is the final preparatory week before Salem High opens scholastic football season with a clash with Sebring High here next Saturday. On that day Coach E. C. Richtman will unfold his line of attack and his pick-up warriors will begin what now promises to be a fairly successful season.

For a week and a half the Red and Black squad has had some of this and some of that in a more or less extensive fashion. Today will be a limbering up day after the week end lay off. Tuesday will see two husky teams lined up against each other in scrimmage and the intensive work of a certain nature will start.

What method of attack Salem High will employ this season is a secret. Fans can be assured, however, that on Saturday afternoon they will not be able to see all the contents of Richtman's box of tricks but line playing is scheduled to be on tap at this first, and by no means, easy test.

As yet the exact lineup for Salem High Saturday cannot be ascertained. From all indications it looks like Sartick, left end; Gaunt left tackle; Kelly, left guard; Simonds or Vollmer center; Stillman, right guard; Capt. Crutcher or Bush right tackle; Houser, right end; Bova, quarter; Vollmer, Cosgrove, Cox, Bingham, halfbacks, and Vengling full.

Richtman has over 40 men to pick from and those that show up best will, of course, get the call. Jensen is a new candidate for the line and because of his weight may get a crack at center. Bingham, of half mile fame, is developing into a whirlwind at sub quarter and half. He is fast but lacks experience. Lewis is another lineman who will bear watching. Voder and Coffee are comers with weight but need that necessary experience under fire.

Alliance—Frank Saltzman, a young man of Minerva, injured seven months ago when a tree fell across his body was removed to his home from the Alliance hospital the last of the week. He has been helpless for seven months, his legs and other portions of his body being totally paralyzed.

BRINGING UP FATHER

Farmer Hiram Moor, Coolidge's Uncle

Farmer Hiram Moor

In the little town of Welsh, in the Beauregard parish of Louisiana, lives Farmer Hiram Moor, humble tiller of the soil and uncle of Calvin Coolidge, who is by way of being president of the United States. The name "Farmer" isn't a title. It is his Christian name. John Coolidge of Vermont, rugged New England farmer, in his youth married Victoria Moor, youngest sister of Farmer Hiram Moor. Calvin Coolidge is their son. Farmer Hiram Moor left New England to settle in Iowa, but later moved to Louisiana, where he labors on his farm and raises live stock and chickens. He is 75 years old.

Ninety-one firms in Birmingham, Eng., manufacture firearms and 150 produce the parts and accessories.

THE GUMPS—EXCELSIOR!

Tanned, tired and happy; singing the rollicking songs in use during camp; riding atop the big load of equipment, came the Boy Scouts from the first Salem Council camp.

Voluntary expressions from the boys were to the effect that it was the best camp they had experienced.

Team work, camp spirit, scout spirit, an interesting program, bully good eats, the feeling of ownership of the reservation, and the many opportunities to practice the varied lines of scouting, all added to the morale and interest in camp.

The evening council fire a new feature in local camps, was eagerly looked forward to each day.

A half circle of scouts and friends, the director opposite, a huge especially constructed fire in the center, darkness all around; a feeling of isolation from the world, made a wonderful setting for the evening program.

Each evening the group, the fire, the spirited singing, the thrills, yet a different program with a new attraction.

So many scouts took advantage of the opportunities for passing tests and merit badges that a complete list cannot be given now.

This was made possible for the scouts through the generosity of Scoutmaster Harman, who gave up part of his vacation period to assume a liberal share of the director's duties, thus doubling the facilities for scout progress in instruction and test work.

First aid instruction by Dr. Reese; Indian history by Prof. Matthews; Civil war talk by Henry Older; radio receiving outfit set up by Homer Peters were features of interest in addition to the regular daily scouting program.

From the director's viewpoint the morale, discipline and scout spirit shown during the whole period was the best he has experienced. The many councilmen and friends of scouting who assisted in making the camp such a success may well feel gratified over the results.

President of Council Hiram Greiner put in a number of very busy days getting material and workmen on the ground to erect the large mess hall and kitchen that will be a very important feature of the reservations when finished.

With the dam, the mess hall, a number of bridges, seats, steps, etc., there will be very decided improvements made on the reservation in the near future.

OHIO HAS LARGE CROP OF APPLES

Good rains this summer have raised the quality of the Ohio apple crop, and have increased the crop slightly above June estimates. A wider knowledge of control methods against disease and insects also has contributed to this condition, horticulturists say.

Official reports from the bureau of markets, Washington, indicate that Ohio's crop of marketable apples will be about five per cent greater than the crop last year. The total crop last year was larger, but scab and other orchard troubles which in 1922 marred much fruit were not so bad this year. This, according to F. H. Beach, extension horticulturist at the Ohio State university has been a fairly good fruit season in Ohio.

He remarks that the crop of marketable apples in Ohio this year will probably bulk larger than any crop since 1920, and that the crop should pay better than the 1920 picking, when the cost of labor and materials was exceedingly high. Farmers in the river counties started last week to pick Grimes and other fall varieties. Such varieties are relatively light this year, but the winter varieties, such as Jonathan, Baldwin and Rome Beauty promise to do better.

It is predicted that Ohio will furnish 800,000 barrels of apples. The commercial crop of the whole United States is set at the bumper figure of 32,000,000 barrels. These are the estimates of crop statisticians at the United States Department of Agriculture, Washington.

Poetry as It Is Lived.
In his "Human Traits and Their Social Significance," Irwin Edman writes:

"Men may first have come to speak poetry accidentally, for language arose, like other human habits, as a thing of use. But the charming and delightful expression of feelings and ideas came to be cherished in themselves, so that what was first an accident in man's life has become a deliberate practice."

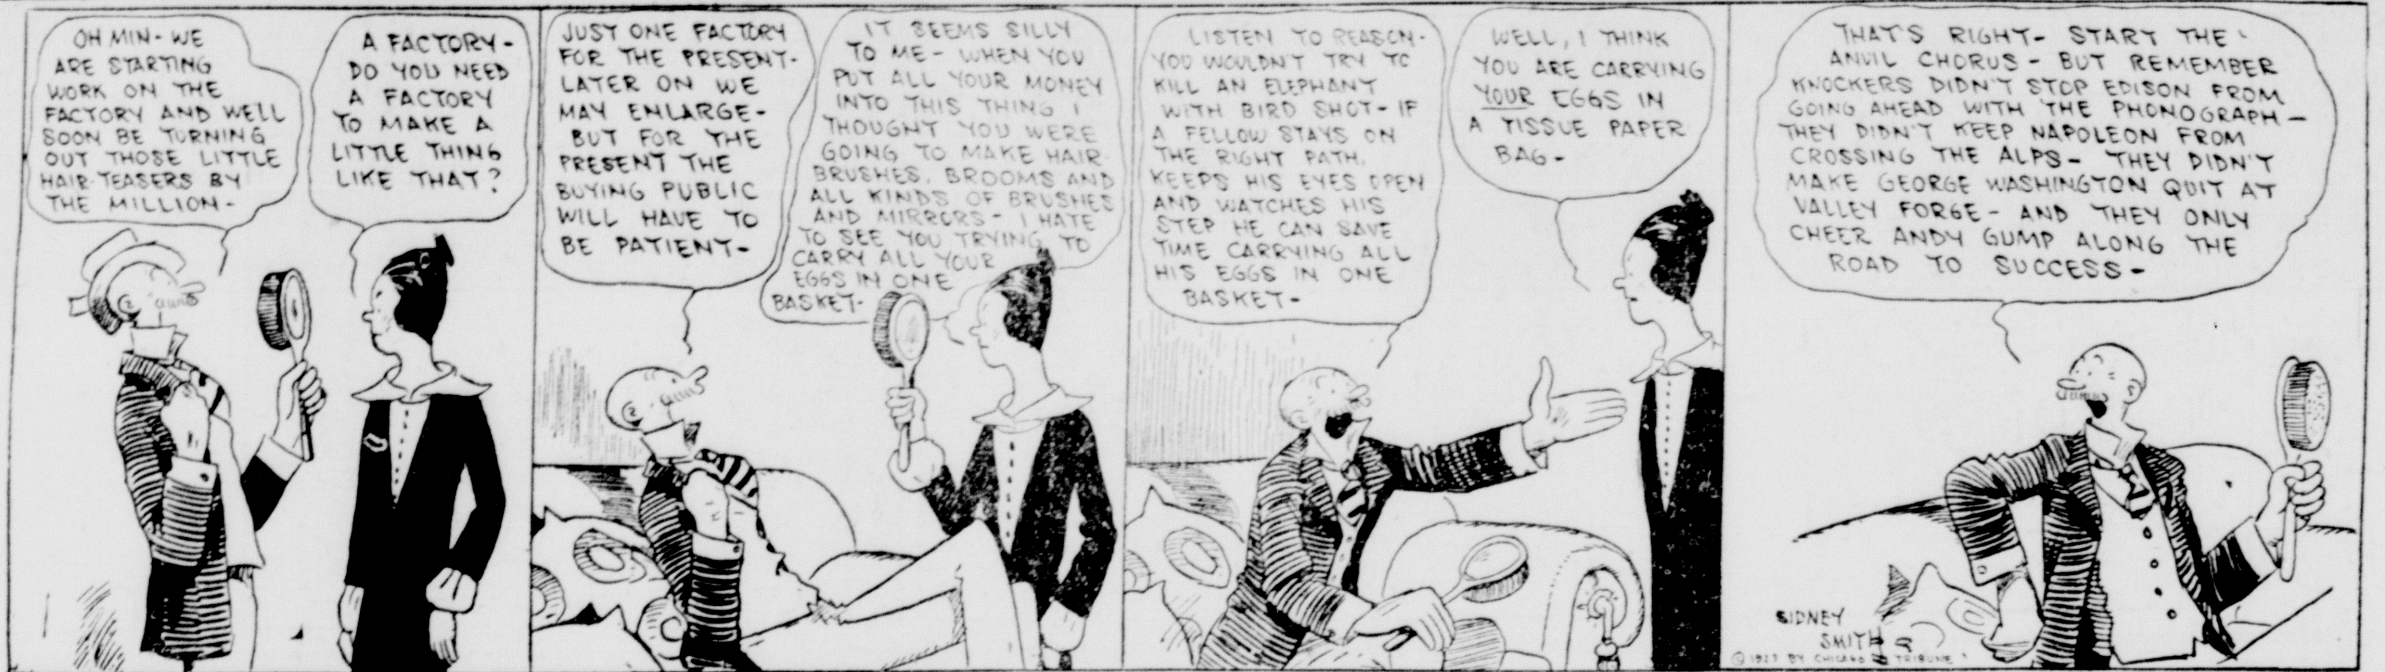

"When this creation of beautiful objects, or the beautiful expression of feelings or ideas is intentional, we call it art."

"In such intentional creation and cherishing of the beautiful, man's life becomes enriched and emancipated. He learns not only to live, but to live beautifully."

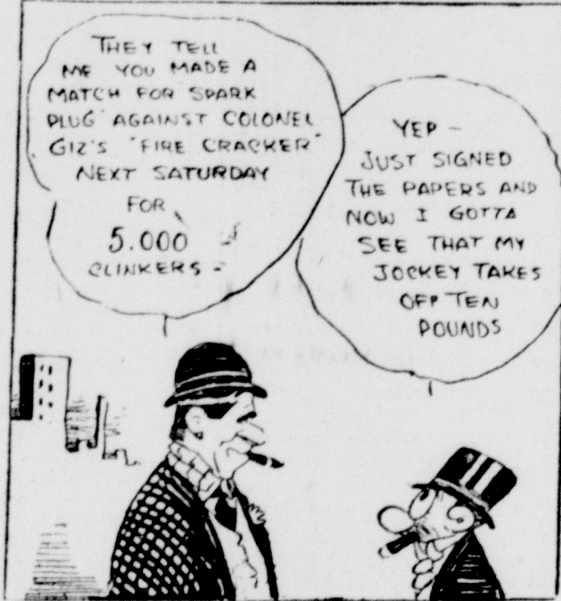

The first poem may have been an accident, as Mr. Edman suggests, but more than one number in the latest lot can be reckoned among catastrophes.

has comple.

More Grip on the Road!

Buick Four-wheel Brakes

Buick four-wheel brakes give all 1924 Buick cars twice the amount of grip on the road, thereby doubling their braking efficiency. It is the friction or grip of the tire on the road surface that brakes or slows down the car.

Buick four-wheel brakes not only provide a greater power to stop in case of emergency but, because of this four-wheel road grip, reduce skidding dangers to a minimum.

In turning, Buick four-wheel brake construction automatically releases whichever is the outside or guiding front wheel so it is instantly responsive to the steering mechanism.

Buick four-wheel brake construction distributes braking friction over four drums and four wheels. This reduces wear on brake linings and tires, thereby assuring their longer life and greater efficiency with fewer adjustments.

Buick four-wheel brakes [on all models] together with countless other distinctive features of the 1924 car further establish Buick as the Standard of Comparison.
